Arizona Senior Olympics History

In Arizona, Senior Olympics began in 1982. During the first two years (1982-1983), these games were titled "City Games", and held in Phoenix. In 1984, the name "Arizona Senior Olympics" was born. Today, "Arizona Senior Olympics" is the recognized State Championships held annually during late February or early March. The City of Phoenix still hosts and coordinates the games with partnership and assistance from the cities of Glendale, Mesa, Peoria, Scottsdale, and Tempe. Senior Olympics "Nationals" were started in St. Louis, Missouri in 1987. Today, the National Championships are held every other year. Senior Games began in Yuma in 1985. We look forward to our 34th Annual Senior Olympics Games.

The object is to score the most points by ending each round with your color balls closest to the Pallino (point ball). Toss of a coin determines who will play first. To start the game, one Team/Person throws the Pallino at least halfway down the designated playing area. The same person who tossed the Pallino then throws one ball trying to get it as close to the Pallino as possible. Team Two then throws, trying to get a ball closer to the Pallino than Team One. If Team Two gets closer, then it is Team One's turn. If Team Two's ball does not come closer then they continue to throw until they get closer to the Pallino than Team One or until they run out of balls. Then Team One throws their balls. You can knock your opponent's balls away from the Pallino to increase your score. Tournament format determined by the number of entries. Games will be to 12 points. Concession available.

Do not add zero at the end of the game on individual scores. Start bid at 16, dealer 15. Total score for all games played determines order of finish. No Passing Cards. If tie in any given game, cutting of cards will determine table reassignments with high card moving. Players change tables after all tables have finished the round. A run without the 9 is 15 points. An additional marriage (K&Q) is 4 more points. No count for single K or Q. Reneging: If you renege, you go set for the bid. You then subtract the bid from your score. You do not get your meld. SCORING: Jack of Spades 4 points, Queen 6 points, King 8 points, Ace 10 points. Jack of Diamonds/Queen of Spades 4 points. Double 30 points.

Anyone 80+ with or anyone with balance problems may throw from floor on either side of the board, provided opponent has the same option. Scoring: The closest hole scores 1 point, middle hole 3 points, and farthest hole 5 points. Last player to score tosses first during the following series. There are two ways to win. Winner must have 21 points exactly. The first player to reach and keep 21 wins or the first one to reach 31 points or over. To score, the washoe must be completely in the hole and touching bottom or other washoe already in the hole. If a player reaches 21 exactly, prior to opponent tossing, all remaining Washoes, and the opposing player is waiting to toss, the player with 21 points shall let opponent try to cancel. If successful, then player gives the toss back to original contestant. To cancel scores, the opponent must cover a Washoe in the hole with his/her own, one for one. Any Washoe in a hole counts for that player whose mark is on it even if knocked in by opponent. Score is final when last player has tossed and failed to cancel scoring. Participant may pass all or any toss. No retracting allowed.
